

JITTERBIT MASTER SUBSCRIPTION AGREEMENT (“MSA”)

This Master Subscription Agreement (“Agreement”) is entered into as of the date of latest signature of the Order Form (the “Effective Date”) by Jitterbit Inc., or any of its Affiliates as set forth in an Order Form, a Delaware corporation with principal offices at 1101 Marina Village Parkway, Suite 201, Alameda, CA 94501 (“Jitterbit”) and the Company described in the Order Form (“Customer”).

1. Definitions

1.1 “Affiliate” means any entity that directly or indirectly controls, is controlled by, or is under common control with the subject entity. “Control,” for purposes of this definition, means direct or indirect ownership of control of more than 50% of the voting interests of the subject entity.

1.2 “Customer App” means the software applications and/or configurations developed by and/or on behalf of Customer using available low-code application development features in the Jitterbit Platform.

1.3 “App User” means an individual that has been authorized by Customer to use a Customer App. Customer is liable for the compliance of its App Users with this Agreement.

1.4 “Customer Data” means all of Customer’s electronic data processed by the Jitterbit Platform, including Personal Information.

1.5 “Data Source” means a database, file, API, application or other supported format that serves as the origin or destination for data transformations.

1.6 “Documentation” means the online user guides and reference documentation for the Jitterbit Platform, as periodically updated, accessible via: <http://docs.jitterbit.com/> or other URL made available by Jitterbit.

1.7. “Enhanced Services” means Jitterbit provided professional services for a fixed maximum number of hours per quarter (3-months period) as further described in an Order Form.

1.8 “Endpoint” or “Application Connection” means a configured connection between the Jitterbit Platform and either: a) a Third Party Application or Data Source, or b) any unique combination of system/IP addresses. For the avoidance of doubt, Endpoints include any Third Party Applications or Data Sources which are connected directly or indirectly to the Jitterbit Platform.

1.9 “Order Form” means the ordering document entered into between Customer and Jitterbit for the purchase of subscriptions to the Jitterbit Platform, Support and Professional Services. The Order Form incorporates the terms of this Agreement and states fees payable, the specific Jitterbit Platform entitlements and usage restrictions and other terms and conditions for the transaction.

1.10 “Jitterbit Platform” means any one or more of the following products as noted on an Order Form (i) features of the generally available, self-service “Harmony” branded software platform, and any other services provided online by Jitterbit as indicated on an Order Form, including iCloud and Wevo Platform

(ii) any Jitterbit Applications, in the edition(s) noted on the Order Form(s), (iii) other software, libraries, Process Templates, Recipes, features and script files, and (iv) any copies, patches, updates, upgrades, enhancements or modifications to the foregoing. "Jitterbit Applications" or "Applications" means Jitterbit software made available to Customer by Jitterbit for on premise installation.

1.11 "Wevo Platform" means an iPaaS Solution developed, maintained, supported and marketed by WEVO TECNOLOGIA S.A, a Jitterbit Affiliate, and sole owner of all the intellectual property rights of the solution. Specific terms and conditions apply to the use of the Wevo Platform, in addition to the terms and conditions set forth in this MSA. These terms are available at: www.jitterbit.com/msa/

1.12. "Harmony Platform" means the generally available, self-service "Harmony" branded software platform.

1.12. "Personal Information" means data relating to an identified or identifiable natural person or data considered to be personal information as defined under applicable laws, statutes, directives or regulations regarding privacy, data protection, and/or the processing of personal information ("Data Protection Laws").

1.12 "Process Template" means a group of pre-built integration use cases that aim to accelerate the execution of a specific business process using numerous objects across multiple applications or systems. A Process Template consists of one or more projects using multiple Endpoints.

1.13 "Professional Services" means Training Services, Enhanced Services, implementation services and other services the parties may agree Jitterbit will perform for Customer pursuant to a mutually agreed upon Order Form or other executed document describing the services rendered, timing and associated fees ("SOW" or "Statement of Work").

1.14 An integration recipe ("Recipe") a reusable integration template designed to provide a guided experience to execute an integration, intended to simplify the integration process for Users.

1.15 "Security Incident" means an event in which Customer Data is accessed or received by an individual or entity not authorized to access or receive such information.

1.16 "Subscription Term" means the period of authorized access and/or use of the Jitterbit Platform set forth in the Order Form(s).

1.17 "Support Services" or "Support" means technical support and maintenance services for the Jitterbit Platform as described in Section 5 herein.

1.18 "Third Party Application(s)" means on-premise or hosted Customer or third party applications, or services that interoperate with the Jitterbit Platform and/or a Customer App.

1.19 "Training Services" means Jitterbit provided instructional courses for the Jitterbit Platform.

1.20 "User(s)" means an individual authorized by Customer to use the Jitterbit Platform for Customer's benefit, and for whom a Jitterbit Platform user identification and password is established. A User may include an employee, consultant, contractor, and/or agent of Customer. Customer remains liable for the compliance of its Users with this Agreement.

2. Trial Services, Non-GA Services and Test/Dev environments

2.1 Trial Services. Jitterbit may permit Customer to register for a free trial of the Jitterbit Platform (“Trial Services”). Trial Services will terminate on the earlier of: (i) the end of the free trial period for which Customer registered or for which products/functionality were made available to Customer on a trial basis; or; (ii) the start date of the Subscription Term for purchased access to the Jitterbit Platform or additional products/functionality.

2.2 Non-GA Services. Jitterbit may invite Customer to try Jitterbit products or services that are not generally available to Jitterbit’s customers (“Non-GA Services”). Customer may accept or decline any such trial in its sole discretion. Any Non-GA Services will be designated as beta, pilot, limited release, developer preview, non-production or similar description.

2.3 Test/Dev environments. Jitterbit may make test and/or development environments available to Customer. Such environments are for test and development purposes only and may not be used in production. Jitterbit reserves the right at any time to impose or modify usage limitations on such environments by providing Customer 30 days prior written notice.

2.4 Restrictions and Disclaimers. Trial Services, Test/Dev environments and Non-GA Services are provided for evaluation purposes and not for production use, are not supported, may contain bugs or errors, and may be subject to additional terms. Trial Services, Test/Dev environments and Non-GA Services are not considered as “Jitterbit Platform” hereunder and are provided solely and exclusively “AS IS” with no express or implied warranty of any kind. CUSTOMER ASSUMES AND UNCONDITIONALLY RELEASES JITTERBIT FROM ALL RISKS ASSOCIATED WITH THE USE OF ANY TRIAL SERVICES AND/OR NON-GA SERVICES. Jitterbit may discontinue the Trial Services or Non-GA Services at any time in its sole discretion. Jitterbit does not promise or represent that Non-GA Services will be made generally available.

2.5 NO DATA RETENTION. ANY CUSTOMER DATA ENTERED INTO THE TRIAL SERVICES, TEST/DEV ENVIRONMENTS AND/OR NON-GA SERVICES MAY BE PERMANENTLY LOST UNLESS CUSTOMER: (i) PURCHASES A SUBSCRIPTION TO THE JITTERBIT PLATFORM COVERED BY THE TRIAL SERVICES; (ii) PURCHASES UPGRADED SERVICES, OR (iii) EXPORTS SUCH DATA PRIOR TO TERMINATION OF THE TRIAL SERVICES AND/OR NON-GA SERVICES.

2.6 LIMITED LIABILITY. JITTERBIT’S ENTIRE LIABILITY IN CONNECTION WITH ANY USE OF THE TRIAL SERVICES DEV/TEST ENVIRONMENTS, OR NON-GA SERVICES WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY, WILL NOT, AS TO ANY INDIVIDUAL CLAIM OR IN THE AGGREGATE, EXCEED \$500. IF CUSTOMER DOES NOT AGREE TO THE ALLOCATION OF RISK IN THIS SECTION, ITS SOLE RECOURSE IS TO IMMEDIATELY DISCONTINUE THE USE OF THE TRIAL SERVICES OR NON-GA SERVICES.

3. Jitterbit Platform Use Rights

3.1 Jitterbit Platform Access and Use. Jitterbit will make the Jitterbit Platform available to Customer for the Subscription Term for use by Customer and its Users in accordance with the terms and conditions of this Agreement, the Documentation, and in accordance with the entitlements in the Order Form. Where entitled to use low-code application functionality, Jitterbit grants to Customer a limited, non-exclusive right

to use the Jitterbit Platform to make, use and run Customer Apps for internal use during the Subscription Term in accordance with the entitlements in the Order Form. For use of the Applications, Jitterbit grants to Customer a limited, non-transferable, non-sublicensable, non-exclusive license during the Subscription Term to use the object code of the Applications internally in connection with Customer's use of the Jitterbit Platform, subject to any restrictions in the Order Form, the terms and conditions of this Agreement and the Documentation. Unless stated in an Order Form, this Agreement does not extend to Customer's Affiliates. If any of such Affiliates wishes to subscribe to the Jitterbit Platform, such Affiliate shall execute an Order Form in accordance with Section 12.8 of this Agreement. Customer grants to Jitterbit a worldwide, non-exclusive, royalty-free license, to use, copy, transmit and display Customer Apps including any program code created by or for Customer using the Jitterbit Platform as necessary for Jitterbit to perform its obligations under the Agreement.

3.2 Restrictions. Customer may not:

- (i) sublicense, resell, rent, lease, transfer, assign, distribute, time share or otherwise commercially exploit the Jitterbit Platform, or make the Jitterbit Platform available to any third party other than Users;
- (ii) copy the Jitterbit Platform or any part, feature, function or user interface thereof, or create derivative works, extensions or modifications of the Jitterbit Platform;
- (iii) reverse engineer or attempt to ascertain the source code of the Jitterbit Platform, or use or access the Jitterbit Platform for the purpose of creating a competitive product;
- (iv) remove any product identification, proprietary, copyright, or other notices contained in the Jitterbit Platform;
- (v) use the Jitterbit Platform in violation of applicable law or regulation or in breach of the rights of third parties;
- (vi) send or store infringing, obscene, threatening, libelous, or unlawful or tortious material, including material harmful to children or violative of third party rights;
- (vii) knowingly interfere with or disrupt the integrity or performance of the Jitterbit Platform or the data therein;
- (viii) attempt to gain unauthorized access to the Jitterbit Platform or related systems or networks;
- (ix) transmit or process Personal Information in violation of applicable Data Protection Laws;
- (x) permit Jitterbit's direct competitors to access the Jitterbit Platform.

Customer shall not use the Jitterbit Platform with Cloud Agents to process cardholder information, health data, biometric data, and/or government-issued identification numbers. "Cloud Agents" is a serverless agent hosted by Jitterbit as part of the Jitterbit Platform that implements transfer of Customer Data between Data Sources and/or Third Party Applications.

3.3 Customer shall be responsible for all activity occurring through its Users, App Users and its Customer Apps. Customer shall abide by all applicable laws, treaties and regulations in connection with the use of the Jitterbit Platform and the Customer Apps, including, without limitation, those related to export control, data privacy, international communications and the transmission of technical or personal data. If Customer subscribes to the Jitterbit Platform for creation and hosting of external-facing Customer App(s), Customer will comply with, and ensure its Users' compliance with, applicable laws with respect to such Customer App(s), including any use of cookies or other tracking technologies on such Customer App(s).

3.4 Jitterbit maintains a fair use policy in relation to accessing and using the Jitterbit Platform.

For the purpose of this policy, Customer may not vary disproportionately from average reasonable use regarding the amount of CPU power, data storage and data traffic used by Customer. In such event, Jitterbit shall, upon 2 weeks written notice, be entitled to temporarily limit or restrict access and/or require Customer to purchase additional capacity.

3.5 Customer is solely responsible for maintaining access to any Third Party Applications from applicable providers. Jitterbit shall not provide Customer with any refund, credit, and is not liable for any errors, delays, downtime, or nonperformance of the Jitterbit Platform or any Customer App caused by:

(i) Third Party Applications, or Customer Data resident therein, or (ii) suspension or termination of Customer's use of the Third Party Applications. Customer authorizes Jitterbit, acting on Customer's behalf, and based on Customer's configuration of the Jitterbit Platform to access and transmit Customer Data amongst the Jitterbit Platform, the Third Party Applications, and any Customer App via the Jitterbit Platform during the Subscription Term.

4. Uptime Commitment

Jitterbit will use commercially reasonable efforts to make the Harmony Platform hosted by Jitterbit available 99.9% of the time excluding: (1) planned downtime; (2) unscheduled downtime caused by: (a) circumstances beyond Jitterbit's reasonable control including force majeure event and issues related to Third Party Applications, Customer Apps, Customer infrastructure, Customer Data or denial of service attacks; (b) circumstances entitling Jitterbit to suspend access to the Harmony Platform under Sections 12.2 and 13; and (c) failure to use the Harmony Platform in accordance with section 3.2 and 3.4.

4.1. The foregoing uptime commitment shall not apply to the Wevo Platform. Uptime commitment for the Wevo Platform is as set forth in www.jitterbit.com/msa/

5. Support

5.1 During the Subscription Term, Jitterbit will provide the Support services as described in the Order Form and at <https://www.jitterbit.com/support-services/>, which Support offerings Jitterbit may periodically update. Access to Support is available via <https://docs.jitterbit.com/getting-started/jitterbit-support/>. For the avoidance of doubt, Support will not be provided for Process Templates and Recipes. Support is intended for support of the use of the Harmony or Wevo Platform. Jitterbit does not support integrations and/or Customer Apps built with the Jitterbit Platform.

5.2 Jitterbit has no obligation to provide Support for any products that have reached their end of life ("EOL") date as designated by Jitterbit in writing via email or its website. Notwithstanding the foregoing, Jitterbit may agree to provide limited Support for EOL product if specifically agreed to in an Order Form. Such Support may be subject to additional charges.

6. Professional Services and Hosting Services

6.1 Jitterbit will perform Professional Services as mutually agreed by the parties in an executed Order Form or SOW. In the event of any delays in Customer's provision of required assistance or resources, Jitterbit may adjust any agreed timetable or delivery schedule as reasonably necessary. Unless otherwise agreed in the Order Form or SOW, unused Professional Service hours will expire (1) year from the relevant purchase date.

6.2 Deliverables provided by Jitterbit in the performance of Professional Services and/or Support Services (“Deliverables”) are not custom developed “works for hire” but are based upon Jitterbit’s methodologies, tools, guides, samples, services documentation, and general know-how regarding data integration, application building and configuration, AI Agents, and API management and optimization (collectively, “Jitterbit PS IP”). Jitterbit retains all right, title and interest in and to the Jitterbit PS IP.

If a Deliverable incorporates Jitterbit PS IP, Jitterbit hereby grants to Customer a non-exclusive, non-transferable right and license during the Subscription Term to use the Jitterbit PS IP solely as incorporated into that Deliverable in support of, and subject to the same terms and conditions applicable to, Customer’s authorized use of the Jitterbit Platform. Nothing in this Agreement shall prohibit or restrict Jitterbit and its Affiliates rights to develop, make, use, market, license or distribute products, including AI Agents and applications, similar or competitive to those used or created by Customer on the Jitterbit Platform.

6.3 For clarity, Jitterbit PS IP specifically excludes: (i) any Customer Data, or (ii) any of Customer’s Confidential Information disclosed by Customer to Jitterbit in connection with the Professional Services and incorporated into a Deliverable by Jitterbit. Customer and its licensors retain all right, title and interest in and to the Customer Data and the Customer’s Confidential Information, and Jitterbit is granted only the limited, royalty-free right to use Customer Data and the Customer’s Confidential Information solely (a) for Customer’s benefit, (b) to the extent necessary to perform Professional Services and prepare the Deliverables for Customer, and (c) for the period of performance of the Professional Services for which the Customer Data and Customer Confidential Information is provided.

6.4 Professional Services offered on a time and material basis will be billed on a monthly basis based on the number of hours spent during the previous month. Hours included in an Order Form for time and material Professional Services are estimated to the best of Jitterbit’s ability, based on a “standard” implementation and Jitterbit’s experience in the industry. Fewer than 10 hours of additional services will be billed at the rates agreed in the applicable Order Form. If additional hours of services in excess of 10 hours are required, Jitterbit shall bill for any such additional hours at the rates as set forth in a duly executed Change Order. A Change Order may impact the relevant project timeline. Professional Services offered on a fixed priced basis will be invoiced upon the Effective Date of the applicable Order Form or on the basis of an agreed upon billing schedule.

6.5 Hosting Services. If set forth in an Order Form, Jitterbit may provide Customer with hosting services, including through a Jitterbit partner or third-party hosting provider. Regardless of where hosted, Customer is solely responsible for (i) the accuracy, quality, legality, and security of Customer Data, (ii) the means by which Customer acquired Customer Data (iii) compliance with all data privacy and residency laws and regulation, including those related to data sovereignty, data localization, and cross-border data transfers (iii) obtaining any necessary consents or approvals for data processing activities. Customer shall prevent unauthorized access to or use of hosted services, and notify Jitterbit promptly of any unauthorized access or use.

Jitterbit’s liability for any breach of this Agreement, whether arising directly or indirectly from the acts or omissions of the Hosting Provider, shall be limited to the liability of the Hosting Provider to Jitterbit under the agreement between Jitterbit and the Hosting Provider. Notwithstanding the foregoing, In no event shall Jitterbit’s liability for any such breach exceed the limitation of liability set forth in Section 20 (Limitation of Liability and Exclusion of Damages) of this Agreement. Customer agrees to indemnify and hold Jitterbit harmless against any and all claims, losses, liabilities, damages, costs and expenses arising out of or related to Customer’s breach of its obligations under this section 6.5. Jitterbit shall be entitled to the benefit

of any indemnification provisions contained in the agreement between Jitterbit and the Hosting Provider to the extent such provisions relate to the performance of this Agreement.

7. Training Services

Jitterbit will provide Training Services as described in the Order Form and at the URL: <https://docs.jitterbit.com/getting-started/jitterbit-training/jitterbit-university/>. Jitterbit hereby grants Customer a non-exclusive, non-transferable royalty-free right and license to use materials provided by Jitterbit during Training Services (“Training Materials”) for Customer’s internal business use only in support of Customer’s use of the Jitterbit Platform during the Subscription Term.

8. AI Agents and Assistants

1. Definitions:

“Jitterbit AI Agent” means an AI Agent made available by Jitterbit, that can perform tasks, improve automation and deployment, and interact with Third-Party Services based on Customer Input.

“Customer AI Agent” means an AI Agent created by Customer using the Harmony Platform.

“Jitterbit AI Assistant” means an AI Agent made available by Jitterbit to support Users with the use of the Jitterbit Platform.

“Input” means any and all data, text, prompts, or commands provided by the Customer to an AI Agent.

“Output” means all data, text, content, and actions generated or performed by the AI Agents in response to Customer Input.

“Third-Party Services” means any external websites, applications, software, or services (e.g., cloud providers, APIs, online tools) that the AI Agents may interact with upon the Customer's instruction.

2. Requirements. Customer acknowledges and agrees that the operation and functionality of AI Agents require an active and independent subscription to a compatible Large Language Model (LLM) service, which subscription shall be procured and maintained by Customer at its own expense. Customer agrees to comply with all applicable laws and regulation regarding its use of AI Agents and any integrated LLM.

3. Customer Accountability and Acceptable Use. Customer acknowledges and agrees that it is responsible for the Output of Customer AI Agents. Jitterbit does not monitor, endorse, or assume any liability for the accuracy, legality, or appropriateness of the Customer AI Agents or the Output they generate. Customer is solely responsible for all Input provided to any Customer and/or Jitterbit AI Agent and for the direct and indirect consequences of any Output or actions performed by an AI Agent on behalf of the Customer. Customer is solely responsible for reviewing, verifying and validating all Output before relying on it or using it in any way.

4. Data Processing. To function, an AI Agent must transmit data. The Customer acknowledges that Input may be transmitted to LLM providers and any Third-Party Services it instructs AI Agents to interact with. Jitterbit is not responsible for the data privacy or security practices of these external services. Customer shall ensure that any data or content processed by an AI Agent complies with all applicable data privacy and data security laws.

5. Information provided by Jitterbit AI Assistants is not intended to be a substitute for professional advice. Jitterbit does not guarantee the accuracy, completeness, or timeliness of the information provided by a Jitterbit AI Assistant. Jitterbit does not guarantee that Jitterbit AI Assistants will be error-free or uninterrupted, nor does Jitterbit guarantee the accuracy, completeness, or reliability of any AI Output generated by a Jitterbit AI Assistant. Jitterbit is not liable for any damages, losses, or costs arising from your use of AI Assistants, including but not limited to, issues related to Customer's chosen LLM, or any reliance on inaccurate or erroneous AI Output of a Jitterbit AI Assistant.

9. Security

9.1 Information Security Program. Jitterbit maintains technical, operational and procedural safeguards for the Jitterbit Platform as described at: <https://www.jitterbit.com/security-annex-b> (collectively, the "Information Security Program") which Jitterbit may periodically update. Jitterbit will not materially diminish the Information Security Program during the Subscription Term.

9.2 Customer is responsible for the security of Customer's IT or cloud environment in which the Jitterbit Applications run including any Customer Data passing through them, including having appropriate technical and organizational security measures to protect Customer Data against accidental, unauthorized, or unlawful access, alteration, destruction or loss, and against all other unlawful forms of processing. Provided Jitterbit complies with its Information Security Program, Jitterbit is not responsible for Security Incidents caused by: (a) Customer downgrading or removing default security settings or configurations of the Jitterbit Platform, (b) Customer's configuration of the Jitterbit Applications in Customer's IT or cloud environment, (c) Third Party Applications in Customer's IT or cloud environment, or (d) App Users or Customer Apps.

9.3 Security Incidents. Jitterbit will notify Customer without undue delay after becoming aware of a Security Incident. Jitterbit will respond to and take reasonable steps to mitigate the effects of a Security Incident on the Jitterbit Platform.

9.4 Encryption. Customer Data stored on the hosted Jitterbit Platform will be encrypted by Jitterbit using industry-standard encryption methods. Customer is solely responsible for encrypting and securing Customer Data outside the Jitterbit Platform. Jitterbit is not responsible for any loss, alteration, unauthorized access or transmittal of data, to the extent resulting from Customer's failure to safeguard User credentials, encrypt data outside the Jitterbit Platform, or Jitterbit's compliance with Customer system configurations and instructions including settings related to the Customer Apps.

10. Customer Data

10.1 Jitterbit's Use of Customer Data. Customer grants to Jitterbit and its Affiliates a non-exclusive, royalty-free license to process Customer Data on Customer's behalf as necessary for Jitterbit to (i) provide the Jitterbit Platform, (ii) perform Support, and Professional Services and (iii) to support, debug, and improve the Jitterbit Platform. The foregoing right and license shall terminate upon the earlier of (a) completion of the Support Service or Professional Service, if Customer Data is processed then, (b) expiration or termination of the Subscription Term, or this Agreement, or (c) upon Customer's written notice

to Jitterbit. Customer shall have sole responsibility for the legality, reliability, integrity, accuracy and quality of Customer Data.

10.2 Customer acknowledges that it is solely responsible for the accuracy and completeness of the data provided for processing through the Jitterbit Platform and Jitterbit shall have no liability for any errors, omissions, or discrepancies arising from inaccurate, incomplete, or untimely data. In the event of any loss or damage to Customer Data, Customer's sole and exclusive remedy shall be for Jitterbit to use reasonable commercial endeavors to restore the lost or damaged Customer Data. Jitterbit shall not be responsible for any loss, destruction, alteration or disclosure of Customer Data caused by any third party or caused by Customer's configuration of the Jitterbit Platform or the Customer Apps.

If Jitterbit is informed by a third party of unlawful information on its servers, Jitterbit reserves the right to remove the material, including Customer Data, or render it inaccessible.

10.3 Obligations of Customer. The parties expressly agree that, with respect to any Customer Data actually processed by Jitterbit pursuant to Section 9.1 above, Jitterbit is a data processor. The terms of the Jitterbit Data Processing Addendum located at <https://www.jitterbit.com/dpa/> as amended from time to time, are hereby incorporated by reference. Customer acknowledges and agrees Customer Data may be transferred pursuant to Customer's instructions and configurations in the Jitterbit Platform. Customer will ensure that relevant third parties have been informed of, and have given their consent to, such use, processing, and transfer as required by Data Protection Laws. Customer will notify Jitterbit as soon as practicable after becoming aware of any unauthorized use of any password or account or any other breach or suspected breach of security including as related to a Customer App.

10.4 Mutual Obligations. In addition to the above, each party to this Agreement agrees to take appropriate technical and organizational measures against unauthorized or unlawful processing, accidental loss, destruction or damage of any Personal Information obtained from the other party.

11. Virus and Malware Detection

Each party to this Agreement agrees on an ongoing basis to implement and maintain commercially reasonable and available technical safeguards, including virus, malware, and other malicious software detection and prevention measures aimed at detecting and preventing the introduction of computer viruses, trojan horses, cancelbots, or other unauthorized computing routines designed to disable, erase, damage or corrupt software, hardware or data on all computer systems, networks, and devices used in connection with the performance of this Agreement

12. Fees, Payment, Taxes

12.1 Fees. Customer will pay Jitterbit the fees set forth in the applicable Order Form or SOW. Except as otherwise expressly specified herein or in an Order Form: (i) fees are non-cancelable and non-refundable; (ii) fees for subscriptions to the Jitterbit Platform, Training Services, and Support are payable annually in full, in advance; (iii) fees for Professional Services are due and payable as provided in the Order Form or SOW, or if not applicable, upon completion of the Professional Services.. In the event Customer chooses to pay by credit card, an additional fee of 3% shall be applied to the total invoice value as a credit card

processing fee. This fee is non-refundable and is intended to cover the processing charges and fees imposed on Jitterbit by credit card companies for the handling of credit card transactions.

12.2. All invoices are due and payable within thirty (30) days from the invoice date, or as otherwise set forth in an Order Form or SOW. Any invoice not paid by the due date will be considered overdue. In the event of an overdue payment, Customer agrees to pay the following charges:

- **Administrative Fee:** A one-time administrative fee of **USD 500.00** may be added to the outstanding balance immediately following the due date. This fee is to cover the administrative costs incurred in pursuing overdue payments, including but not limited to, the cost of generating late notices, phone calls, and other collection activities.
- **Late Interest:** In addition to the administrative fee, interest may be charged on the total overdue balance (including the administrative fee) at a rate of **1.5% per month**, or the maximum rate permitted by law, whichever is lower. This interest shall accrue daily from the original due date until the full amount is paid.

12.2.1. The Client shall be responsible for all costs of collection, including, but not limited to, reasonable attorney's fees and court costs, should it become necessary to pursue legal action to collect any outstanding balance.

12.3 While Customer may request a Purchase Order (PO) to facilitate Customer's internal billing procedures, Jitterbit reserves the right to invoice Customer for all applicable fees, including recurring subscription fees upon each renewal term, regardless of PO issuance. If the delay in sending the PO generates an increase in tax and/or fiscal expenses, these expenses will be passed on to the Customer. Customer agrees that any terms and conditions included in a PO do not amend, supersede, or otherwise affect the terms and conditions of an Order Form.

12.4 Suspension of Service for Non-Payment. If any amount owed by Customer under this Agreement is thirty (30) or more days overdue, Jitterbit may, without limiting its other rights and remedies, (i) suspend Customer's access and use of the Jitterbit Platform and/or performance of Support or Professional Services until such amounts are paid in full; and (ii) accelerate Customer's future payment obligations under the relevant Order Form or SOW, so that all such obligations become immediately due and payable. Jitterbit will give Customer at least five (5) days written or email notice that its account is overdue before exercising its rights to suspend Customer's access and use of the Jitterbit Platform under this Section. Suspension of services shall not release Customer of its payment obligations under this Agreement. If access is suspended for non-payment, Jitterbit reserves the right to charge a reactivation fee in the amount of USD 750 to reinstate Customer's access to the Jitterbit Platform. Jitterbit shall not be liable to Customer or to any third party for any liability, claims or expenses arising from the suspension of service for non-payment by Customer.

12.5 Jitterbit will not exercise its rights under Section 12.4 ("Suspension of Services for Non-Payment") for a period of thirty (30) days if Customer disputes the fees reasonably and in good faith and cooperates diligently to resolve the dispute.

12.6 Taxes. Customer is responsible for all local, state, federal, or foreign taxes, levies, or duties of any nature arising from the performance of this Agreement, excluding only taxes based on Jitterbit's income.

If Jitterbit has a legal obligation to collect any such amounts for which Customer is responsible, the appropriate charges will be added to the invoice and shall be payable by Customer, unless Customer provides Jitterbit with a valid tax exemption certificate issued by the appropriate taxing authority.

12.7 Future Functionality. Customer agrees that its purchases are not contingent on the delivery of any future functionality or features, or dependent on any oral or written public comments made by Jitterbit regarding future functionality or features.

12.8 Affiliate Ordering. Jitterbit and a Customer Affiliate may mutually agree to execute an Order Form under which a Customer Affiliate may acquire Professional Services, Support Services or a Jitterbit Platform subscription from Jitterbit. An Order Form between Jitterbit and Customer Affiliate constitutes a separate contract between the Customer Affiliate and Jitterbit incorporating the terms and conditions of this Agreement, except that the term "Customer" means Customer Affiliate. A Customer Affiliate directly purchasing a subscription to the Jitterbit Platform, Support, or Professional Services is subject to all the obligations, and will be entitled to all of the rights and benefits of the Customer under this Agreement subject to the usage restrictions of the Order Form between Jitterbit and such Customer Affiliate.

12.9 Self-Service Purchases, Binding Agreements.

12.9.1 Customer acknowledges that Jitterbit may offer certain Platform entitlements, upgrades, or additional services through self service purchases available on the Platform (each a "Self Service Purchase"). Customer agrees that any transaction initiated or completed by means of a Self Service Purchase, including without limitation, the selection of an upgraded service tier, the acceptance of any additional terms and conditions, and the confirmation of a purchase, shall be subject to the terms and conditions as set forth in this MSA.

12.9.2 Customer acknowledges and agrees that an individual designated as an administrator on the Jitterbit Platform who completes a transaction of a Self Service Purchase on behalf of the Customer shall be deemed to possess the full legal power and authority to bind the Customer to the Self Service Purchase. The act of clicking on any button, or engaging in any similar digital affirmative action (e.g., "Confirm Purchase," "Upgrade," "I Agree") within the Platform shall constitute a valid and legally binding signature on behalf of the Customer, and the terms of the transaction, including any fees due by Customer, shall become immediately effective and enforceable.

13. Right of Suspension

Jitterbit reserves the right to suspend the performance of Professional Services, Support, and/or Customer's access to the Jitterbit Platform: (i) for Customer's violation of its obligations under Section 3.2, 3.3 and 3.4 above; (ii) if Jitterbit determines the security or proper functioning of the Jitterbit Platform may be compromised due to hacking, denial of service attacks or a Security Incident; (iii) if Jitterbit receives legal notice Customer does not possess requisite rights to access and/or use a Third Party Application; (iv) if Jitterbit determines Customer's continued use of the Jitterbit Platform and/or Customer Apps may result in material harm to Jitterbit, Customer or Jitterbit's other customers; and (v) if Jitterbit receives a compliant Digital Millennium Copyright Act ("DMCA") take-down notice. Jitterbit will promptly notify Customer of such suspension in writing. Jitterbit shall use diligent efforts to the extent reasonably practicable to limit the suspension to the affected portions of the Jitterbit Platform and will reinstate access promptly after verifying the issue giving rise to the suspension has been satisfactorily resolved. Jitterbit reserves the right to take any actions as needed to restrict access to or availability of any Customer App that does not comply

with this Agreement or that otherwise might adversely affect Jitterbit or other Users of the Jitterbit Platform. Jitterbit shall not be liable to Customer or to any third party for any liability, claims or expenses arising from the suspension of service under this Section 13.

14. Term; Termination

14.1 Subscription Term; Renewal. This Agreement will commence upon the Effective Date and continue until the earlier of (i) expiration or non-renewal of all Order Forms and/or SOWs, or (ii) termination of this Agreement pursuant to Section 12.2. Except as otherwise specified in an Order Form, each Subscription Term will automatically renew for successive one (1) year periods unless either party gives the other party written notice of non-renewal of all or parts of the entitlements set forth in an Order Form at least forty-five (45) days prior to the end of the then current Subscription Term. Notwithstanding the foregoing, in case Jitterbit has discontinued products, such products shall not form part of the renewal. If the Customer continues to use the Jitterbit Platform after a Subscription Term in the absence of an automatic renewal clause or a renewal Order Form the subscription shall be deemed to have been renewed as per the conditions of this Section. Unless otherwise agreed in an Order Form, pricing for each renewed Subscription Term will be at Jitterbit's then current standard fees

14.2 Jitterbit may provide Customers with updated Order Forms for subscription renewals to reflect Jitterbit's then-current understanding of Customer's needs. The provision of such updated Order Forms shall not be considered a notice of termination of the existing Order Form. If Customer does not accept such updated Order Form, the existing Order Form will automatically renew under its original terms, unless terminated by Customer and/or Jitterbit pursuant to section 14.1.

14.3 Termination for Cause. Either party may terminate this Agreement immediately if the other party: (i) breaches any material term of this Agreement and/or any Order Form or SOW and fails to cure such breach within thirty (30) days of receipt of written notice from the non-breaching party specifying the nature of the breach, or (ii) makes a general assignment for the benefit of creditors, is adjudicated bankrupt, (iii) files a voluntary petition for bankruptcy or reorganization, or has a petition filed against and such petition is not dismissed within sixty (60) days, or (iv) applies for or permits the appointment of a receiver, or trustee for any of its property or assets. Upon Termination for Cause by Customer, Jitterbit shall refund prepaid fees covering the remainder of the Term of the terminated Order Form or SOW after the effective date of termination. Upon termination for cause by Jitterbit, any and all unpaid fees related to the terminated Order Form or SOW covering the full remainder of the Term of such Order Form or SOW shall become immediately due and payable. Termination never exempts Customer from paying Fees incurred before the date of Termination.

14.4 Effect of Termination. Upon termination or expiration of this Agreement: (i) Customer's and its Users right to access and use the Jitterbit Platform, Documentation, Training Materials, and Customer and its Users and App Users right to access and use Customer Apps, Deliverables and Jitterbit PS IP, will terminate; (ii) the parties shall cease all use of and permanently destroy the other party's Confidential Information except that Jitterbit shall have thirty (30) days after the effective date of termination to delete or destroy all Customer Data, unless earlier deletion is requested by Customer in writing, or unless such deletion is legally prohibited; (iii) Jitterbit may suspend or terminate the performance of all Professional Services and/or Support. Customer shall be solely responsible for retrieving Customer Data in the Jitterbit Platform within the thirty (30) day period noted herein and may request that Jitterbit assist with the same.

Customer understands and agrees that the Customer Apps will not function independently of the Jitterbit Platform and accordingly exported data only includes the managed Customer data - not the Customer App structure or schema.

14.5 Survival. The provisions of Sections 2.3, 2.4, 2.5, 12 (as to outstanding, undisputed fees, 15, 16, 18, 19, 20 and 22.11 will survive any termination or expiration of this Agreement.

15. Confidentiality

15.1 "Confidential Information" means all information disclosed by a party ("Disclosing Party") to the other party ("Receiving Party"), whether orally or in writing, designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure. Customer Confidential Information includes Customer Data. Jitterbit's Confidential Information includes Jitterbit Materials (as defined in section 16.2). Confidential Information of each party includes the terms and conditions of this Agreement and all Order Forms (including pricing), as well as business and marketing plans, training and course material, technology and technical information, product plans and designs, and business processes disclosed by such party. Confidential Information does not include any information that (i) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party, (ii) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party, (iii) is received from a third party without breach of any obligation owed to the Disclosing Party, (iv) was independently developed by the Receiving Party, or (v) or becomes public through no fault of the Receiving Party. Confidential Information, as used herein and defined in the Agreement, does not include the residuals resulting from access to information provided under this Agreement related to Customer Apps and each party will have the right to use, disclose, reproduce, distribute and otherwise commercialize all such information without obligation or restriction of any kind. As used herein, "residuals" means information in intangible form, which is retained in the memories of a receiving party's employees who have had access to the other party's Confidential Information.

15.2 Protection of Confidential Information. Receiving Party will use the same degree of care that it uses to protect the confidentiality of its own confidential information of like kind, but not less than reasonable care: (i) will not use any Confidential Information of the Disclosing Party for any purpose outside the scope of this Agreement, and (ii) except as otherwise authorized by the Disclosing Party in writing, limit access to Confidential Information of the Disclosing Party to those of its and its Affiliates' employees and contractors who need access for purposes consistent with this Agreement and who have signed confidentiality agreements with Receiving Party containing protections no less stringent than those herein. Neither party will disclose the terms of this Agreement or any Order Form to any third party other than its Affiliates, legal counsel and accountants without the other party's prior written consent, provided that a party that makes any such disclosure to its Affiliate, legal counsel or accountants will remain responsible for such Affiliate's, legal counsel's or accountant's compliance with this Section 15.2.

15.3 Compelled Disclosure. Receiving Party may disclose Confidential Information of the Disclosing Party to the extent compelled by law to do so, provided Receiving Party gives Disclosing Party prior notice of the compelled disclosure (to the extent legally permitted) and reasonable assistance, at the Disclosing Party's cost, if Disclosing Party wishes to contest the disclosure. If Receiving Party is compelled by law to disclose Disclosing Party's Confidential Information as part of a civil proceeding to which Disclosing Party

is a party, and Disclosing Party is not contesting the disclosure, Disclosing Party will reimburse Receiving Party for its reasonable cost of compiling and providing secure access to that Confidential Information.

16. Proprietary Rights

16.1 Reservation of Rights. All rights not expressly granted by one party to the other hereunder are expressly and unconditionally reserved by such party and may not be implied by or inferred from any provision of this Agreement or by the conduct of the parties.

16.2 Ownership. Jitterbit owns all right, title, and interest in and to: (i) the Jitterbit name and logo, Jitterbit's other trademarks and service marks, including 'Harmony' as applied to the Jitterbit Platform, (ii) the Jitterbit Platform, Jitterbit Applications, Documentation, Jitterbit PS IP, Training Materials, including any customizations, modifications, adaptations, or derivative works, and all intellectual property rights thereto ("Jitterbit Materials").

16.3 Customer owns all right, title, and interest in and to the Customer Data, Customer name and logo and Customer's other trademarks and service marks and all intellectual property rights thereto. Subject to Jitterbit's rights in any underlying Jitterbit Materials and subject to the terms of the Agreement, Customer retains all rights, title, and interest in the Customer Apps and AI Agents developed by Customer. Customer understands and agrees that Jitterbit and other Jitterbit customers may make applications, agents, solutions and/or configurations using the Jitterbit Platform which are similar to the Customer Apps and that the Customer Apps and AI Agents will not function independently of the Jitterbit Platform.

16.4 Jitterbit Service Data. Jitterbit may collect and maintain "Service Data" which is data generated as a by-product of use of the Jitterbit Platform and Support Services. Jitterbit may collect Service Data for a number of reasons, including, but not limited to, operating or monitoring security of the Jitterbit Platform, providing Support, including system log and debug data, authenticating User entitlement, and/or to improve the Jitterbit Platform and related services.

16.5 If Customer voluntarily submits to Jitterbit any suggestions, ideas, enhancement requests, feedback, recommendations concerning the features and functions of the Jitterbit Platform ("Suggestions"), Customer hereby grants Jitterbit and its Affiliates a non-exclusive, royalty-free, worldwide, perpetual, irrevocable license to freely use, disclose, and otherwise exploit such Suggestions, including by incorporating the Suggestions into future versions of the Jitterbit Platform, provided such Suggestions will never incorporate any Customer Data or identify Customer, its Affiliates, any User, or any of Customer's Confidential Information.

16.6 Nothing in this Agreement will prevent Jitterbit from (i) providing feedback, development assistance, or suggestions to other customers or partners that develop products and services that may compete with the Customer App; and (ii) developing, or having developed, any products or services, including products or services that compete with the Customer App. Jitterbit will have the right, solely in connection with its products and services, to use, reproduce, prepare derivative works and distribute any information provided by Customer without obligation or restriction of any kind.

17. Deployment Verification/Overuse

Deployment Verification. Customer is responsible for monitoring that its usage of the Jitterbit Platform is within the limits as set forth in an applicable Order Form. Jitterbit has the right to verify Customer's deployment and use of the Jitterbit Platform for compliance with the terms of this Agreement and the applicable Order Form. Customer shall cooperate in providing information and commercially reasonable assistance to Jitterbit in verifying Customer's usage and compliance upon Jitterbit's written request ("Overuse Notice"). Jitterbit's internal usage tracking system will be deemed accurate if the Customer fails to provide the necessary information and assistance to verify usage within 10 days upon receipt of the Overuse Notice. In case of on-premise deployment, Jitterbit shall have the right upon reasonable prior written notice to audit Customer's deployment and use either remotely or at Customer's premise where the software is installed. If Customer's use of the Jitterbit Platform is found to be greater than contracted for ("Overage"), Customer will be invoiced for the Overage at Jitterbit's then current list price for the then current full Subscription Term. In addition, if the resulting adjustments to the Subscription Fees owed by Customer are greater than ten percent (10%) of the Subscription Fees paid by Customer, Jitterbit reserves the right to charge the expenses associated with such deployment verification audit.

The additional use entitlements covering the Overage shall be considered part of the then current Order Form and will renew in accordance with Section 14.1.

18. Warranties

18.1 Performance Warranty. Jitterbit warrants that except as disclaimed, the Jitterbit Platform will perform in all material respects with the functions described in the then-current Documentation. Customer's sole and exclusive remedy for Jitterbit's breach of the warranty in this Section 18.1 is for Jitterbit to use commercially reasonable efforts to promptly repair or replace the non-conforming portion of the Jitterbit Platform at no additional charge to Customer.

18.2 Professional Services and Support Warranty. Jitterbit warrants Professional Services and Support will be performed in a professional and workmanlike manner in accordance with industry standards. Customer's sole and exclusive remedy for Jitterbit's breach of this provision will be Jitterbit's re-performance of the Professional Services or Support that fail to comply with this warranty at no additional charge.

18.3 Disclaimer of Warranties. The Process Templates and Recipes provided with the Jitterbit Platform are provided on an "AS-IS" basis. Customer agrees there are no guarantees or warranties as to the specific outcome or results that Customer can expect from using Process Templates and Recipes. EXCEPT AS EXPRESSLY STATED IN THIS AGREEMENT, JITTERBIT MAKES NO WARRANTIES OR REPRESENTATIONS, OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, WITH RESPECT TO THE Jitterbit Platform, OR THIS AGREEMENT, AND EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES OF TITLE, NONINFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. JITTERBIT DOES NOT WARRANT THAT THE Jitterbit Platform IS ERROR FREE; IS NOT SUSCEPTIBLE TO INTRUSION, ATTACK OR COMPUTER VIRUS INFECTION; NOR DOES JITTERBIT WARRANT USERS WILL BE ABLE TO ACCESS OR USE THE Jitterbit Platform WITHOUT INTERRUPTION.

19. Indemnification

19.1 Jitterbit Indemnity. Jitterbit will defend any action brought against Customer, its Affiliates, and their respective employees, officers, or agents by a third party to the extent based upon a claim that the Jitterbit

Platform, Training Materials, Documentation, Jitterbit PS IP, Deliverables (altogether "Jitterbit Technology"), provided by Jitterbit to Customer and used within the scope of this Agreement, infringes any intellectual property right of such third party (the "Covered Claim") and will pay any costs, damages and reasonable attorneys' fees attributable to such Covered Claim that are awarded against Customer or agreed upon by Jitterbit in settlement. The foregoing indemnification obligations shall not apply to the extent the Covered Claim results from (a) the combination of the Jitterbit Technology with any software, hardware, data or system not supplied by Jitterbit; (b) modifications or derivative works of the Jitterbit Technology by anyone other than Jitterbit or its subcontractors; (c) Customer's breach of this Agreement or Customer's violation of applicable law or the rights of third parties; (d) Customer Data used by Jitterbit as permitted by this Agreement or from the use of Customer Apps.

19.2 Customer Indemnity. Customer will defend any action brought against Jitterbit, its Affiliates, and their respective employees, officers, or agents by a third party to the extent based upon a claim arising or resulting from: (i) Customer's unauthorized use or processing of the Customer Data; (ii) any unauthorized use of Third Party Applications by Customer, its Affiliates, or their Users; (iii) arising from Customer Apps. (the "Covered Claim"), and will pay any costs, damages and reasonable attorneys' fees attributable to such Covered Claim that are awarded against Jitterbit or agreed upon by Customer in settlement. The foregoing indemnification obligations shall not apply to the extent the Covered Claim results from Jitterbit's breach of this Agreement or Jitterbit's violation of applicable law or the rights of third parties.

19.3 Indemnity Requirements. The indemnifying party's obligations in this Section 19 are conditioned on the indemnified party (a) giving the indemnifying party prompt notice of any Covered Claim; (b) providing reasonable assistance and information to the indemnifying party, at the indemnifying party's expense, for the defense of the Covered Claim; and (c) allowing the indemnifying party to control the defense of any Covered Claim, except that the indemnified party may engage counsel of its choice at its own expense and the indemnifying party will have no right to bind the indemnified party to terms other than the terms and conditions in this Agreement or admit liability by the indemnified party in any Covered Claim, or settlement thereof, without the indemnified party's prior written consent, which will not to be unreasonably withheld or delayed.

19.4 Additional Infringement Remedy. If Customer's use of any of the Jitterbit Technology hereunder is, or in Jitterbit's opinion is likely to be enjoined pursuant to Section 19.1 above, then Jitterbit may, at its sole option and expense: (a) procure for Customer the right to continue using the infringing items under the terms of this Agreement; (b) replace or modify the infringing items so that they are non-infringing and substantially equivalent or better in function to that of the enjoined items; or (c) if options (a) and (b) above cannot be accomplished despite Jitterbit's commercially reasonable efforts, then Jitterbit or Customer may terminate Customer's rights and Jitterbit's obligations hereunder with respect to such infringing items, whereupon Jitterbit will remit to Customer any pre-paid fees for the remainder of the Subscription Term.

19.5 Sole Remedy. THE FOREGOING PROVISIONS OF THIS SECTION 19 SET FORTH THE INDEMNIFYING PARTY'S SOLE AND EXCLUSIVE OBLIGATIONS, AND THE INDEMNIFIED PARTY'S SOLE AND EXCLUSIVE REMEDIES, WITH RESPECT TO THE APPLICABLE COVERED CLAIMS.

20. Limitation of Liability and Exclusion of Damages

20.1 Indirect damages exclusion. IN NO EVENT WILL EITHER PARTY BE LIABLE FOR ANY SPECIAL, PUNITIVE, EXEMPLARY, INDIRECT, INCIDENTAL, COVER OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOSS OR CORRUPTION OF DATA, LOST PROFITS, LOSS OF USE, DAMAGES RELATED TO BUSINESS INTERRUPTION, HOWEVER CAUSED AND WHETHER IN CONTRACT, TORT OR OTHERWISE, EVEN IF THE PARTY KNEW OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES, ARISING OUT OF OR RELATING TO THIS AGREEMENT. THE FOREGOING DISCLAIMER WILL NOT APPLY TO THE EXTENT PROHIBITED BY LAW.

20.2 Limitation of Liability. Jitterbit's aggregate liability for any and all damages and losses arising out of or related to this Agreement will not exceed the total amount paid by Customer hereunder in the twelve (12) months preceding the incident. The above limitation will apply whether an action is in contract or tort and regardless of the theory of liability but will not apply to the extent such liability may not be excluded or limited as a matter of applicable law.

20.3 Basis of Bargain. The parties acknowledge that the terms of this Section 20 reflect the allocation of risk set forth in this Agreement and that the parties would not enter into this Agreement without these limitations of liability.

21. Marketing

Jitterbit may identify Customer as a customer in a press release, social media messaging, marketing materials, case studies and on its website using Customer's name and logo. Customer agrees to provide a quote for a Jitterbit press release upon request.

22. Miscellaneous

22.1 Export Compliance. Each party will comply with all export, import, anti-corruption, and anti-boycott, laws applicable to such party in its performance under the Agreement, including but not limited to all applicable import, export control, anti-corruption and anti-boycott laws and regulations of the United States, the United Kingdom and/or the European Union. Each party represents that it is not named on any U.S. government denied-party list. Customer will not permit Users to access or use any the JitterbitPlatform in a U.S.-embargoed country, or in violation of any U.S. export law or regulation. Each party agrees to comply in all material respects with the Bribery Act 2010, the U.S. Foreign Corrupt Practices Act, 15 U.S.C. §78dd-2 and all other laws dealing with anti-bribery, extortion and kickbacks, to the extent applicable hereunder.

22.2 Government Users. The Jitterbit Platform is provided for ultimate federal government end use solely in accordance with the following: Government technical data and software rights related to the Products include only those rights customarily provided to the public as defined in this Agreement. The Jitterbit Platform is "commercial computer software" and "commercial computer software documentation", respectively, pursuant to DFAR Section 227.7202 and FAR Section 12.212(b), and FAR 12.211 (Technical Data), as applicable. Any use, modification, reproduction, release, performing, displaying or disclosing of these components by the U.S. Government will be governed solely by the terms of this Agreement. If a government agency has a need for rights not granted under the terms of this Agreement, it must negotiate with Jitterbit to determine if there are acceptable terms for granting those rights, and a mutually acceptable written addendum specifically granting those rights must be included in any applicable agreement.

22.3 Force Majeure. Neither party will be liable to the other for any loss, damage, delay or breach in performing any obligations hereunder to the extent resulting from any cause or event beyond the control of the party being released hereby, including acts of God, third parties and acts or omissions of civil or military authorities.

22.4 References to Jitterbit web links or URLs shall include successor weblinks, in the case where web links or URLs have been updated or moved by Jitterbit.

22.5 Non-waiver; Remedies Cumulative. Failure or delay by a party to enforce any provisions of this Agreement will not be construed as a waiver of such party's rights under this Agreement or prejudice such party's right to take subsequent action. Except as expressly stated herein, all remedies are cumulative, and the exercise of any express remedy by either party does not by itself waive such party's right to exercise its other rights and remedies available at law or in equity.

22.6 Severability. If any provision hereof is found invalid or unenforceable pursuant to judicial decision, the remainder of this Agreement will remain valid and enforceable according to its terms.

22.7 Enforcement. The prevailing party will have the right to collect from the other party its reasonable costs and necessary disbursements and attorneys' fees incurred in enforcing this Agreement.

22.8 Assignment. Each party may on written notice assign this Agreement without the other party's written consent to an Affiliate or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets. Notwithstanding the foregoing, if a party is acquired by, sells substantially all of its assets to, or undergoes a change of control in favor of, a direct competitor of the other party, then such other party may terminate this Agreement upon written notice. In the event of such a termination by Customer as a result of Jitterbit's competitive assignment, Jitterbit will refund to Customer any prepaid fees covering the remainder of the Subscription Term. Subject to the foregoing, any other assignment to this Agreement will be null and void, and any permitted assignments will be binding and inure to the benefit of the parties, their respective successors and permitted assigns.

22.9 Amendments. No supplement, modification, or amendment of this Agreement will be binding unless executed in writing by a duly authorized representative of each party to this Agreement.

No provision of any on-line portal, purchase order or other business form employed by Customer will supersede the terms and conditions of this Agreement, and any such document relating to this Agreement will be for administrative purposes only and will have no legal effect. In the event of any conflict or inconsistency among the following documents, the order of precedence shall be: (1) the applicable Order Form, (2) this Agreement.

22.10 Independent Contractors. The relationship between the parties created by this Agreement is that of independent contractors and neither party will have any authority to create any obligation on behalf of the other.

22.11 Governing Law; Venue. This Agreement shall be governed by the laws of (i) the State of California and the United States without regard to conflicts of laws provisions thereof, if Customer is headquartered in any country in the United States or Canada, (ii) Brazil, if Customer is headquartered in Latin America (iii) State of Victoria, Australia, if Customer is headquartered in Australia, New Zealand, or in any country in Asia

Pacific, including Japan, or (iv) the Netherlands, if Customer is headquartered in any other country in Europe, or in the Middle East or Africa. In each case, laws shall apply without regard to the United Nations Convention on the International Sale of Goods or the Uniform Computer Information Transactions Act (UCITA). All disputes with respect to this Agreement shall be heard exclusively in the courts located in (i) San Francisco, California (State or Federal Courts), if Customer is headquartered in any country in the Americas, (ii) São Paulo, Brazil, if Customer is headquartered in Latin America, (iii) Melbourne, Australia if Customer is headquartered in Australia, New Zealand, or in any country in Asia Pacific, including Japan or (vi) Amsterdam, the Netherlands, if Customer is headquartered in any other country in Europe, or in the Middle East or Africa. The parties each consent to the jurisdiction and venue of such courts.

22.12 Notice. Legal notice to either party will be sent in writing to the address shown on the first page of this Agreement or in an Order Form. Except as set forth in this Agreement, all legal notices will be sent by certified mail or nationally recognized overnight courier service.

22.13 No Third Party Beneficiaries. This Agreement does not and is not intended to confer any rights or remedies to any third parties.

22.14 Electronic Signatures; Counterparts. This Agreement may be executed by electronic signature and in counterparts, which, when taken together, will be deemed to constitute one and the same original Agreement.

22.15 Entire Agreement. This Agreement together with all Order Forms, URLs, Statements of Work and the Exhibits referenced herein contains the entire understanding of the parties with respect to the subject matter hereof and supersedes all prior arrangements relating thereto.
